OBJECTIVE

This is Surajram.S. I am a Hardworking College Student seeking employment. I am a person who brings forth a motivated attitude and a variety of powerful skills. I commit myself to utilizing my skills to further the mission of a company. I have the ability to effectively self-manage during independent projects, as well as collaborate as part of a productive team. I am more passionate about Front End web development and App development . I also have great interest towards Machine Learning.

EXPERIENCE

Verzeo

1/08/2020 - 1/10/2020

Machine Learning Internship

During this Internship I learnt about the basics of Python and its Applications in Machine Learning.

I did a mini project on the Exploratory Data Analysis and

a Major Project which was a team project on the Implementation of the various Classification Algorithms in Machine learning.

Agile Pro Software Solutions

25/11/2019 - 06/12/2019

Internship

During this Internship I was able to get a deeper idea into the Software Development

Lifecycle and also a deep knowledge on the basics of App Development.

I gained a lot of practical knowledge of working in a Corporate Environment.
